Registration applications received without photos or fees will be considered invalid and may be returned without processing.

Horse to be Registered

- Please provide at least three unique name options. Do not use punctuation marks or numbers. Name may not exceed 21 characters and spaces combined. Do not use names that sound similar to existing names, even if spelled differently.
- Application **must be accompanied** by at least four (4) clear, close photographs of the horse. These photographs must include each side and the front and rear views. Please do not trim or mark on the photographs. If the horse is freeze-branded, a photo of brand must accompany application.
- If the horse has minimal white qualifying areas, submit additional photographs of this area with a ruler.
- If photographs submitted do not clearly establish eligibility for Regular Registry, the horse will be registered into the Solid Paint Bred Registry.
- Include payment for all applicable fees. Most current fees apply—see *APHA Rule Book* for details.

Save money by registering your horse online at aphaonline.org or apha.myshowday.com.

Horse to be Registered

- Any erasure or alteration of horse information or dates will invalidate this breeder's certificate. Complete a new application if sire or dam information is incorrect as printed.
- Sire requirements must be met prior to the registration of any foal.
- Corrections to owners' names and addresses are acceptable.
- If this is a QH or TB mare's first APHA foal, include a QH/TB mare enrollment fee of \$25.
- Dam owner at the time of foaling may register the foal online.

Registration Checklist — Please include:

- Application for foal, filled out completely
- Signatures of sire/dam owner
- Signature of dam owner in transfer section (if applicable)
- Color photos of the foal
- AQHA/JC certificate copies for dam and/or foal, if applicable
- Payment for the fees

Signature Requirements

- Signature must be an individual signature.
- If the horse is owned jointly, the individual signature of either owner is acceptable.
- If an authorized agent is signing, there must be a signature authorization on file at APHA.
- If horse is to be registered in any name other than the dam owner at time of foaling, you must complete the transfer information on reverse.

DNA

- Please note that DNA verification is required if the foal is the product of breeding by transported semen, frozen semen, embryo transfer, oocyte transfer or vitrified embryo. You may also request DNA for parentage verification, racing or breeding purposes.
- If you have a QH or TB stallion or mare that has been genetically tested, we will accept those results if on file with APHA's official laboratory.
- A DNA recording fee might be required if testing was done privately.
- For parentage verification, both the dam and foal must be tested. Order two test kits if the dam has not been genetically tested.

DNA Genetic Typing - \$60 per kit

Used for: Parentage Verification (including foals produced via transported/frozen semen or embryo transfer)
 *Dams required to have DNA genetic typing on file if parentage verification is required on foals — order dam's kit below if needed.

Paint Pattern Gene & Color Panel - \$125

Used for: RG-070.E. (Regular Registry consideration) and Cropout horses (required to register)

Genetic Health Panel - \$125 (Tests for HYPP, HERDA, GBED, OLWS, MH and PSSM1)

Used for: Determining if your foal carries any of these health conditions.
